COMPANY PROFILE

*SINGA MASSION GLOBAL Pte. Ltd (Singapore)
established trading company with above 14 years
business history.*

ABOUT COMPANY

Established in October 2019, the Company is an energy trading enterprise that initially focused on coal and coal-related commodities. In response to evolving industry dynamics, the Company undertook a strategic transformation in 2023, shifting its core business focus to the oil and gas sector, while continuing to strengthen its domestic and international trading networks.

Driven by increasing global energy demand and limited natural resources, collaboration between governments and the private sector has become essential to ensure energy security. Within this context, the Company conducts market research and trading activities to support reliable and sustainable energy supply across regional and international markets.

The Company is supported by its affiliate, Singa Massion Pte. Ltd., a well-established energy trading company with over 14 years of industry experience, enhancing its market reach and operational capabilities.
